ADOPT-A-RAPTOR

LORAIN COUNTY METRO PARKS

Interested in helping wildlife? Then consider adopting a raptor at the Lorain County Metro Parks Raptor Center! Your tax-deductible donation, designated to the raptor of your choice, contributes directly to the cost of food, veterinary care, and other needs. In return, you receive detailed information about your adopted bird and the Raptor Center, as well as corresponding level "Thank You" items. To Adopt-A-Raptor, choose one to sponsor and select your adoption level from the list below.

ADOPT-A-RAPTOR INFORMATION

Adoptions are valid for a period of one year. The term "adoption" does not imply ownership rights to individuals participating in the Adopt-A-Raptor program. You may visit your adopted bird and the Raptor Center any time during regular open hours, 8 am to 4:30 pm daily. Please remember that the raptors, like all living creatures, may become sick or pass away during your adoption period. If this should happen, the term of your adoption will be transferred to the care of another bird at the facility.
