

LORAIN COUNTY METRO PARKS
SEASONAL NATURALIST POSITIONS AVAILABLE
Summer 2008

Who: Any person looking to gain experience in the field of interpretation, education, biology, or history

What: Seasonal Naturalists work from the French Creek Nature Center and help coordinate and conduct nature camps, outdoor adventure camps, science camps, and history camps. Organizational skills and experience working with children is important. Knowledge of the local natural history is also a plus. Seasonal naturalists may work some weekends and may help with other nature center tasks, such as animal care and assisting visitors.
