

Lorain County Metro Parks Outdoor Scavenger Hunt

Grab a brown bag and your nature journal and join us on a scavenger hunt. Place each item in the bag as you find it and then journal your findings when you are all done.

Put these items in your bag

- **2 Different Leaves**
- **Flat Rock**
- **Pine Cone**
- **Small Stick**
- **Acorn**
- **Pine Needles**
- **Piece of Litter**

To make it more fun for your little one hide something with their favorite character on it or have them point out things that they can't put in their bags like clouds shaped like animals. For older children have them take pictures of each item instead of putting it in the bag and add something a little harder to identify like a squirrels nest.

Happy Hunting!!!!
